

Amendments to the Specification:

Please amend the paragraph beginning on page 1 at line 28 as shown below:

For example, previous systems have included vertically storable trailers with no function in the storage mode as shown in Canadian Patent No. 1,173,475 ("Luggage and Accessory Trailer"), United States Patent No. 4,511,181 ("Tilt Bed Vertical Storage Utility Trailer"), and ~~Canadian~~ United States Patent No. 5,743,541 ("Stowable Utility Trailer"). Other systems have included trailers that are heavy and awkward to move when in the storage mode as shown in United States Patent No. 4,165,096 ("Storable Utility Trailer").
